I just checked and I don't see it, but our IT analyst is cc-ed on here so he'll be able to approve it as well if he sees it on his end.

Thanks,

Thank you.

It's not showing that there's any request from the CHP on our dashboard. Could you please re-request it through the system?

Hello,

I was given your information to grant access to our ALPR system. Please return this completed form with a supervisor signature for us to move forward.

Just to confirm, this is for CHP – Solano Area? My records indicate that we are already sharing the data with Solano CHP since November 2021. Back then the form was signed by Officer Morrell.

If it's not the same division, please continue with this form and request access through Flock.

Thank you and let me know if you have any questions/concerns.
