Dear Police1 Member,

Welcome to the latest edition of Police1's Real Time Crime Center newsletter — your go-to source for how data and technology are transforming public safety.

Across the country, agencies are learning that real-time intelligence isn't just about catching criminals faster — it's about creating smarter, more connected communities. Whether you're seeking funding, building out infrastructure or learning from departments already seeing results, this edition has you covered.

□□□□ In today's edition:

- [How to fund your real time crime center](#)
- [Top trends at the National Real Time Crime Center Association conference](#)
- [Key considerations for agencies setting up an RTCC](#)

We encourage you to check out our [full collection of RTCC content](#), and consider how technology impacts the effectiveness and efficiency of policing today. What do you want to learn more about? Email editor@police1.com.

Thank you to [Flock Safety](#), [Leonardo](#) and [Peregrine](#) for supporting this content.

Stay safe,

— *Nancy Perry, Director of Content, LE and Corrections*
